Ability 5K Run and 1K Fun Walk

We were thrilled with the success of the 4th annual Ability Run, held on Sunday March 24, 2024. Participants of all ages and abilities, including a furry friend, came together to support Loveland Center. A special congratulations to 13-year-old Siona Kelly for her outstanding first place finish. We extend our gratitude to everyone who joined us in making this event a memorable and impactful one.

ADT Center Spotlight

We are excited to announce **Tina** as our Participant of the Month, showcasing remarkable progress in socialization skills and actively engaging with peers and staff. Her enthusiasm for playing matching games, working with blocks, and all things Harry Potter is truly inspiring. Tina's journey is a testament to the positive impact of our program on individual growth and development.
