Meet Our Port Charlotte Team

Loveland Center of Port Charlotte is thrilled to welcome new staff members to our growing team. With a focus on providing exceptional care and support, these four Direct Support Professionals are the backbone of our Adult Day Training program. Led by the dedicated Amy Vantries, who has been a pivotal part of the center for nearly two years, the team also includes Adam Stabinski, Jose Vega, and Karen Doerr, each bringing a wealth of experience in working with individuals with intellectual and developmental disabilities. Their combined expertise ensures that the program runs smoothly and effectively, making a positive impact on the lives of those they serve.

ADT Center Spotlight

Join us in celebrating **Alex**, our shining star for this month! With a perpetual smile and a love for socializing, Alex is a great example of the spirit of friendship and outdoor fun. Her love for good food and great company makes her a delightful part of our program.

Putting the Fun in Functional

How about double the fun? Our participant **Eric** loves working with our Occupational Therapist Eric as he strengthens his trunk and upper body to assist with his activities of daily living. We are fortunate to have an amazing team of therapists who work with our ADT program participants and with outpatient clients from Charlotte County as well. Want more information about our therapy services? Contact Lauren Osmond, Director of Clinical Services, at (941)493-0016 Ext. 320.

Equality Through Opportunity

Keep an eye out for our participants on the move throughout Charlotte County. We pride ourselves on offering a wide variety of community integration activities that allow them to fully immerse themselves in the local community. From volunteering at Fandango Sanctuary to taking pottery classes at the Visual Arts Center in Punta Gorda, our individuals are constantly on the move and making an impact. . Great job everyone, we can't wait to see where your next adventure takes you!
