

Loveland Center™

Providing programs and services to children and adults with intellectual and developmental disabilities since 1962.

May the 4th Be With You & Cinco de Mayo Celebrations were a success! The "May the 4th be with You" dance was an out-of-this-world experience! This Star Wars themed dance event hosted by Loveland Center of Port Charlotte on May 4th at the Boys & Girls Club of Charlotte County was a galactic celebration like no other. Some guests came in Star Wars attire and everyone danced the night away in a galaxy far, far away. Loveland Venice celebrated Cinco de Mayo at the Clubhouse on May 3rd with a vibrant gathering. Volunteers, staff and participants all enjoyed the creative events!

Center Wins

Our wins this month are from the "Shark Tank" building which was named by our staff and participants. They have a water theme throughout the building. **Elizabeth** is working on advocating her wants and needs. She is asking for water to drink without verbal prompts. We praise each and every participant win here at Loveland!

Justin is working on choosing different activities for his choice time during his day. He often chooses puzzles, but this day Justin chose to look at the bubbles for his activity. Way to expand your activities and try new things!

RECAP

Loveland Village residents and program participants were recently treated to a free concert by Jillian Brown Music in the Clubhouse! Loveland has many social and athletic clubs going on or starting soon! Contact kmcdermott@lovelandcenter.org if you are interested in finding out more about what Loveland has to offer!
